

# LU TRUNG KIEN

Frontend Developer

0982818401 | kienlu2000@gmail.com | LinkedIn | Portfolio

## SUMMARY

---

I'm actively seeking a foundational role in a fast-growing company, aiming to contribute my skills and knowledge while immersed in a diverse environment for continuous learning, and practice. Committed to perfecting my skills and embracing new challenges, I'm prepared to embark on innovative experiments, pushing the boundaries of what's possible. My ultimate goal is to consistently surpass not just who I was yesterday but also who I am today.

## TECHNICAL SKILLS

---

**Programming Languages:** JavaScript, TypeScript.

**Frameworks/Libraries:** ReactJS, NextJS, Material UI, Emotion, Ant Design, Chakra UI, SCSS, TailwindCSS, Gsap, Framer Motion, Redux/Redux-Saga, Zustand.

**Developer Tools:** Git, Github, Gitlab, VS Code, IntelliJ, Postman, Jira, Figma.

**Languages:** Able to read and write English. Can read English documentation. Can have basic communication.

## EXPERIENCE

---

### Atech Solution

Feb. 2023 – Present
